Financial Accounting Theory : European Edition (Book, 2011 ...

Written in a friendly style with clear explanations, Financial Accounting Theory provides a thorough presentation of financial accounting theories. This new edition continues to include considerable coverage of accounting standards oriented to IASB standards as well as major U.S. accounting standards. While the text discussion concentrates on relating standards to the theoretical framework of the book, the coverage provides students with exposure to the contents of the standards themselves.

Scott, Financial Accounting Theory, 7th Edition | Pearson

Financial Accounting Theory, Second European Edition provides a complete grounding in the subject from a European perspective.
