Lives on the Boundary - Wikipedia

Lives on the Boundary is mostly a collection of character sketches (of Rose's teachers and of his students), some of which are sappy and stereotypical. Interspersed with those are really compelling and fantastic ideas about pedagogy and what education should mean to people and what it can do for people. A good read for any teacher.

Lives On the Boundary: A Moving Account of the Struggles ...

Lives on the Boundary is a nonfiction book by Mike Rose, Professor of Social Research Methodology in the UCLA Graduate School of Education and Information Studies. The book tackles the problem of how low-performing students get left behind by the American education system. Originally published in 1989, Rose combines memoir, academic analysis, and social treatise to expose the failings of the current educational system and challenge the stereotypes that label remedial learners as incapable, ...

Lives on the Boundary: The Struggles and Achievements of ...

One of the major themes in Lives on the Boundary is the distinction between a person's capability and the metrics society uses to measure aptitude and success. Rose argues that qualification and standardized testing are poor ways to place students in the educational system, and that they do more harm than good.

Lives on the boundary (1990 edition) | Open Library

Lives on the Boundary. Lives on the Boundary September 19th, 2011 In Mike Rose's book, *Lives of the Boundary*, Rose explains how people in America have a good education and that unlike immigrants; American's have an easier time learning than they do. Living in America, we have a great system of education that sets us up for the future, but in other unfortunate countries they are not as lucky and have other problems to deal with than to get a decent education.
